

HK&L, LLC is looking for a skilled, reliable laborer to join our company. Tasks will include ones associated with buried utility construction. Some examples: plowing cable, hand digging, clean-up. Most work will be located in North Central Missouri but is not exclusive to the area. This will be a full-time position.

Experience is required. Locating ability and CDL license is a plus.

Requirements:

- Must be familiar with underground construction
- Must be willing to travel
- Must be able to lift up to 50lbs, unassisted
- Driver's license, clean record
- Verifiable work history
- Must be willing to submit to drug test
- Background check required
